

Remodeling your Bath & kitchen Marble Falls

The most functional rooms in your home are your bath and kitchen. And yet, in terms of making them unique and personalized, they are also the most taken for granted. That many homeowners simply do not know how to begin adding personal touches that will make these rooms more than just functional but also uniquely beautiful is the main reason for this. You can change the look of your bath and kitchen without having to spend so much by following these simple remodeling guide.

In personalizing or renovating your bath & kitchen Marble Falls, the first thing that you should do is to get a good look at the walls. Generally the walls of our bath and kitchen are plain. You have to repaint the walls using two or there complementary colors in order to change this. These will give depth to your room and will lift your ceiling. You do not have to spend much on paint. Choosing the right color combination and purchasing cheap paint from your local hardware are all that you have to do.

The next thing you should do is look at your floor. You will notice that your floor needs the same make over now that you have great walls on your kitchen. You have to make faux area rugs that will complement your walls in order to do this. By first making a design on a piece of paper, you can create this. When you are already satisfied with your design, you can then paint your floor with a complementary color. You have to apply two coats and then you let it dry. You can now draw the design on the floor by making a pattern using painters tape, once the floor is already dry. Paint the insides of the pattern with a chip brush. Once the paint is dry, you can now peel off the tape and you already have the faux area rug. Your floor now complements your walls. As for your bath, you can make changes on your floor by changing the tiles. Differently colored and textured tiles are what you can use. The flat look of your bathroom floor will be changed by these. You do not have to spend much for the tiles. Form the tiles shop, you can simply find leftover tiles since they are offered at discounted rates.

Now, to complete the look of your bath & kitchen Marble Falls, you have to do some finishing accents. You can start by changing the look of your windows, using curtains or window shade. Based on the entire look of your [bath & kitchen marble falls](#), you can give life to your windows by having matching window treatments. You can choose to have blind, drapes or curtains. Your window treatment shall give your kitchen and bath a totally new look. Again you do not have to spend much on your window treatment since you can find many on sale.

Finding decorative pieces that matches your new bath and kitchen are the last thing you must do. Paintings, containers and vases are what you can use. You can have matching spice rack, painting and matching lighting for your kitchen. For your bath, you can use matching bathroom containers, shower curtains and bath mats.
